GCE Product Design - IGCSE from 2009

GCE Design and Technology Product Design 6RM02 01 7 Question 1(c) Most candidates scored a single mark by sketching a correctly cupped plank, but few gained the second mark showing the correct direction of cup with the end grain lines straightening. This results in the edges bending downwards rather than upwards. Sketching in both 2D and 3D helps

Examiners' Report June 2013 GCE Design and Technology ...

GCE Design & Technology 6RM02 01 3 Introduction This is now a well established examination and candidates are clearly benefiting from extensive use of past papers which bring an understanding of the types of responses required from the questions. In general, responses were well structured with points contextualised in sentences.
